

CLASS OF 2023 PRESENTS RUN & FUN 5K

SPONSORSHIP PACKAGES AND TICKET INFORMATION

Event proceeds from donations, sponsorships, and participants go towards funding the Junior Leadership Orange (JLO) program, a completely free program for 8th grade students across Orange County. This youth empowerment program is designed to provide leadership skills, life skills, career exposure, and preparedness to youth who will potentially become the community leaders of the future. JLO effectively engages youth by challenging them to develop skills, gain critical awareness, and act as community advocates. Thanks to generous sponsors and donors like you, there is no cost to schools, students, or their families! You are investing in the youth (and future) of Orange County.
